

**Fresno AMAE Chapter**  
Association of Mexican American Educators, Inc.  
P. O. Box 529, Fresno, CA 93709-0529

January 2022

Dear High School Seniors,

The Association of Mexican American Educators (AMAE) has been active in encouraging Hispanic students to pursue a college education and to assume roles of leadership in our communities. AMAE encourages Hispanic students, especially those interested in the field of education, to apply for one of our scholarships. This scholarship is available to students attending eligible high schools in Fresno County. In the last school year, twenty \$1,000 scholarships were awarded to graduating seniors.

The Fresno Chapter of AMAE wishes to invite you to apply for our 2022 Scholarship. We also encourage you to adhere to the procedures and deadlines for submission in order to receive fitting consideration.

Attached you will find an application available for eligible seniors. Applications must be postmarked by March 18, 2022. Finalists will be notified by April 16, 2022.

Please note that due to Covid Protocol Regulations, our Annual Recognition Event for finalists will be announced closer to late April.

We look forward to receiving your application.

Late or incomplete applications will not be considered.

Sincerely,  
AMAE Scholarship Committee
