Student App Support:
Students have been provided with materials to support them in completing their applications. This 30-minute appointment is designed for students who have started their application but need help to continue. Students should have all supporting materials ready so counselors can help them successfully complete their application.

Parent Nights:
This time is designated to help parents understand how to create their FSA ID and help their students complete their FAFSA. Links to the meeting can be found in students Teams calendar.

Senior Counselor Support:
This time is designated for you to chat or call your counselor on Teams. You may need clarification on steps within an application or need other support. Use Teams to connect during this time.
